Your personal views on the partnership:

1. Did your pair work well together? Please give reasons.
2. Was the work allocated fairly?
3. Was any work wasted and why?
4. Did both of you make approximately the same effort or was it unbalanced?

Your views on yourself:

1. What have you learnt from doing this project working in pairs?
2. Was your personal organization and time management to your satisfaction?
3. Did you contribute your full share to the project, or did you contribute more or less than you should have, and why?
4. Any mitigating circumstances for not making a full contribution?
5. How many hours did you spend on the project? (approximately)
6. What is your personal opinion of how the project went?
7. Did you enjoy it?
8. Having finished the project, what is your view of the advantages and disadvantages of working in pairs?
9. Any other comments?
